### Great American Bank Named One of the Nation's Top-Performing Community Banks by S&P Global Market Intelligence

Lawrence, KS – March 18, 2026

Lawrence, Kansas – March 18, 2026 – Great American Bank has been recognized as one of the top community banks in the United States, earning the #24 spot on S&P Global Market Intelligence's 2025 ranking of the 100 Best-Performing U.S. Community Banks under \$3 Billion in Assets. This national recognition highlights the bank's strong financial performance, strategic growth, and continued commitment to serving customers and communities in Kansas and Missouri.

S&P Global Market Intelligence's annual rankings evaluate community banks using a comprehensive set of performance metrics, including growth, profitability, credit quality, and operational efficiency. Earning a top 25 position places Great American Bank among the most resilient and well-managed financial institutions in the country.

"We are honored to be recognized on a national scale for our performance and stability," said Les Dreiling, President of Great American Bank. "This achievement reflects the dedication of our employees, the trust of our customers, and our ongoing commitment to delivering exceptional community banking services."

Great American Bank has built its reputation on personalized service, local decision-making, and long-term relationships. The bank continues to invest in innovative financial solutions while maintaining the community-first values that have guided it for more than two decades.

"Our focus has always been on doing what's right for our customers and communities," Dreiling added. "This recognition reinforces that our approach is working, and we're excited to continue building on this momentum." Great American Bank serves customers in Kansas and Missouri with a full suite of personal and business banking services, including checking and savings accounts, lending solutions, digital banking tools, and financial guidance tailored to local needs.
